*Rollprint is a flexible packaging materials converter
specializing in materials for the healthcare industry, hard-to-
hold applications, and peelable composites for unusual or
unique applications.*

MANUFACTURERS OF FLEXIBLE PACKAGING

Sealed Air Corporation

Post Office Box 464
100 Rogers Bridge Road, Building A
Duncan, SC 29334
864-433-2000 • 864-433-2185
www.sealedair.com; www.cryovac.com
Sealed Air is a leading global manufacturer of a wide range of food and protective packaging materials and systems. Our widely recognized brands include Bubble Wrap® cushioning, Jiffy® protective mailers and Cryovac® food packaging products. Our vision is to be the global supplier of choice for solutions, products and services that improve our customers' bottom line.

Sealstrip Corporation

Harry Cappa
Materials Manager 103 Industrial Drive
Gilbertsville, PA 19525
610-367-6282 • 610-367-7727
hcappa@sealstrip.com
www.sealstrip.com
Sealstrip provides resealable and easy open packaging solutions for flexible packaging. We offer the complete system of retrofit applicators and quality pressure sensitive materials. AIB certified.

Sonoco Flexible Packaging

Greg Munoz
Corporate Services
1 North 2nd Street
Hartsville, SC 29550
843-383-7000 • 843-339-6501
greg.munoz@sonoco.com
www.sonoco.com
Sonoco Flexible Packaging has been part of the Sonoco family of companies since 1993, building a reputation as a leader in rotogravure and flexographic printing and heat and cold seal technology across North America.

Southern Film Extruders, Inc.

PO Box 2104
High Point, NC 27261
336-885-8091 • 336-885-1221
www.southernfilm.com
Southern Film Extruders manufactures flat polyethylene film (sheeting, tubing) for packaging and industrial uses. It also produces resins (low-density, metallocene) that help create the different varieties of film available (converter film, laminations, shrink wrap). Southern Film Extruders makes film and resin orders based on the needs of its clients.

St. Johns Packaging Ltd.

Marc Leclair
Vice President Marketing and Sales
80 Moreau Street
Saint-Jean-sur-Richelieu, Quebec J2W 2M4
Canada
450-349-5871 • 450-349-3313
mleclair@sjpack.com
www.sjpack.com
St. Johns Packaging is a vertically integrated (extrusion, printing and converting) manufacturer of printed (up to 10 colors) rolls and bags. The family owned company has been supplying the personal care and food industries for 50 years.

Technipaq Inc.

975 Lutter Drive
Crystal Lake, IL 60014
815-477-1800 • 815-477-0777
info@technipaq.com
www.technipaq.com
Converter of flexible packaging materials for the medical, pharmaceutical, diagnostics industries. Laminating, flexo printing, slitting and preformed pouches in film foils and DuPont medical grade Tyvek.
