

## AWAVirtual™ Hosts M&A Executive Forum on the Packaging and Labeling Sector

Alexander Watson Associates will organize the annual AWAVirtual™ Mergers & Acquisitions Executive Forum 2024 on June 4 for the Packaging & Labeling sector.

The Forum brings together C-level executives, private equity firms, investment bankers, and suppliers to create an industry-focused platform for all those involved or interested in M&A across the packaging and labeling sector. The forum program features a selection of presentations and panel discussions focused on M&A drivers, trends, and industry insights; it will provide a snapshot of the major themes in the M&A packaging and labeling marketplace with a specific focus on:

- Deal Flow in Today's Environment
- Impact of Credit on the M&A Market for Labels & Flexibles
- Sustainability Impact on M&A
- Partnering with PE Investors for Business Growth

More information will be announced soon.
