FlexPack Crash Course

@PACK EXPO

Wednesday, November 6, 2024
PACK EXPO International
McCormick Place - Chicago, IL

Who should attend this event?

This event is perfect for new hires and newcomers to the industry with fewer than five years of industry experience. Please note that our maximum event capacity is 50 attendees, and we are limiting registration to FPA member company attendees. If your company is not a member of FPA, you may add yourself to the waitlist.

What is the cost to attend?

Travel and accommodations must be covered by the attendee. All costs for attending the course and evening networking event will be sponsored by the FPA.

What content will be presented during the event?

The presentations will provide a high-level overview of the flexible packaging industry. We'll cover market trends, sustainability, the legislative and regulatory environment, as well as a high-level overview of technical fundamentals including flexible packaging materials, substrates, and converting technologies.
