FOR IMMEDIATE RELEASE

**ADVANCED RECYCLING SUMMIT 2025 IS EXPECTED TO BRING OVER 100 INDUSTRY PROFESSIONALS
TO CLEVELAND**

(Cleveland, OH) – August 26-27, 2025 – After the success of the 2024 event in Akron, Smithers is excited to bring Advanced Recycling Summit back to Ohio. The 2025 event will take place in Cleveland, OH from August 26 to August 27.

Held at the Westin Cleveland Downtown, the 2025 conference will bring together industry leaders to learn more about how advanced recycling influences the recycling conversation, furthers the circular economy, and enhances your brand's sustainability goals.

Last year's event featured speakers from **Coca-Cola, Waste Management, Hyundai Motor Group**, and more. This year's event will feature over 20 presentations covering key industry concerns such as future market outlook, circularity and climate change, brand owner recycling goals, and more. To learn how you could become a speaker visit [our abstract submission page](#).

The 2025 event features over four hours of key networking moments. The previous year's event garnered attendees from **Eastman, Shell, Alterra, Lubrizol, Dow, Abbott, LyondellBasell**, and more who fostered lasting industry relationships and partnerships. Don't miss your opportunity to connect with industry leaders by registering today.

Pricing for this event is tiered, meaning the earlier you book the more you save. Plus save an extra 10% with the code **ARS25MP**.

Visit the [event website](#) for more information. Reach out to producer Brittany Onslow, bonslow@smithers.com, with any questions about the program, registration inquiries, and if you are interested in growing your brand visibility by being involved as a sponsor/ exhibitor.
