PRESS RELEASE | Reifenhäuser Group

February 7, 2020

Reifenhäuser Group continues to strengthen North American Team

Reifenhäuser Group continues to strengthen its North American subsidiary with the announcement that Mr. Roger Cortez has joined Reifenhauser Inc. as Area Sales Manager for The South Eastern United States.

Roger will be located in the Atlanta area and will represent Reifenhauser as an Area Sales Manager for Blown Film, Cast Film and Sheet equipment sales.

Roger served 6 years in the US Navy as a Nuclear Electricians Mate. He completed a rigorous 2 year training program while stationed in South Carolina before moving to Virginia where he would serve 4 years onboard the USS Harry S. Truman (CVN 75). After his career in the Navy, Roger entered the field of plastics recycling by joining Next Generation Recycling Machines. He has a technical background after spending 4 years as a Laboratory and Field Service Technician before being promoted to Service Manager responsible for all aspects of the after sales market. He gained all the relevant insights into the challenges of the technology, the processes, and the market. In 2018 he became responsible for developing the Latin American Market for NGR. His experience spans both applications in the post-industrial and in the post-consumer recycling segments. Please welcome Roger as we look forward to having him as an integral part of The Reifenhauser Team.
