

## PRESS RELEASE

Release Date: Immediate Release

Toledo, OH – April 28, 2021

### DYNAMIC DIES MAKING A DIFFERENCE

***Pat Sullivan and Jill Kopanis present the first DDI Difference Makers donation to the youth leaders of The Avalon Foundation***

In honor of their 50<sup>th</sup> year anniversary, Dynamic Dies has kicked off a year-long program of giving called ‘Dynamic Dies Difference Makers’.

Each month throughout 2021, Dynamic Dies will donate \$500 to a selected non-profit charity. Dynamic Dies employees, as well as their customers are encouraged to nominate a non-profit organization that they may be involved with or support individually.

The program kicked off with Dynamic Dies announcing their first recipient, which was the Avalon Foundation. The foundation is a youth led leadership program that supports other children as they face the challenge of pain management when dealing with rare diseases. Company President, Pat Sullivan and Vice President of Human Resources, Jill Kopanis presented a check to the youth foundation board members.

“Dynamic Dies has always focused on supporting our employees and customers, so we are excited to expand it to the community in honor of our 50<sup>th</sup> year in business,” shared Pat Sullivan. “We look forward to seeing the difference this will make over the next year for each organization selected.” All nominations are reviewed for consideration by a selection committee, composed of Dynamic Dies employees from several departments along with leaders in the company.

The second recipient of the \$500 monthly donation was recently selected. The honor went to The Ability Center of NW Ohio, supporting those with disabilities to live within the community. The donation will help to build a home wheelchair ramp so individuals can leave and enter their own homes. True to Dynamic Dies style of taking care of others, they are taking it one step further. Several employees from Dynamic Dies will be volunteering to build the ramp so they can get involved and make a difference!

Jill Kopanis, who oversees the program, shared “The Difference Makers program is aligned with the company’s workplace culture, as the focus of success has always been on taking care of our employees. Taking care of the community is just an extension of what we value as an organization.” With company locations in Ohio, Pennsylvania and Indiana, they hope the programs’ reach will extend throughout the Midwest. Customers of Dynamic Dies are encouraged to reach out to their Customer Service Rep or Account Manager to find out how they can get involved and nominate a worthy non-profit. They may also reach out to Jill directly at [jill\\_k@dynamicdies.com](mailto:jill_k@dynamicdies.com) and reference Dynamic Dies Difference Makers Program to obtain a nomination form.
