

## **AWAVirtual™ Insights Forum 2022: Leadership & The Future**

AWA Alexander Watson Associates will host the second annual AWAVirtual™ Insights Forum on 27<sup>th</sup> January 2022, a platform providing insights and thought leadership from today's industry captains and change agents. Bringing together CEOs, Executives, and Experts to provide insights and address key issues, challenges, and opportunities for the industry, across the value chain and across the globe, this year's forum has a unique line up of speakers and panelists.

The AWAVirtual™ Insights Forum, which welcomed over 1000 attendees worldwide in 2021, will be available for free through the well-established AWAVirtual™ Platform.

Presentations and panel discussions with high level Keynote Speakers and panelists, with Q&A during the event will be dedicated to addressing and facilitating a dialog on the critical issues leaders and decision-makers are facing today, particularly regarding Future Leadership, Sustainability and Supply Chain.

### **Register online**

AWA Alexander Watson Associates will host the forum on the AWAVirtual™ Platform, where access will be given to everyone before the event. It is possible to register for free and view the program at
