FPA Announces 2022 Board of Directors

The Board assumed directorship on March 23, 2022

Annapolis, Maryland: April 13, 2022 – The Flexible Packaging Association (FPA), the leading advocate and voice for the growing U.S. flexible packaging industry, is pleased to announce the election of its 2022 Board of Directors. Kathy Bolhous, CEO of Charter Next Generation remains Chairperson of the FPA Board of Directors. Bill Jackson, CTO Amcor Global Flexible Packaging, Amcor Flexibles, was elected as the Vice Chairperson of the Board.

The 2022 Board of Directors were elected by FPA voting members via ballot for a one-year term, with the exception of the Chairperson's two-year term, and assumed their directorship on March 23, 2022, during the FPA Annual Meeting held March 23-25, 2022, in Bonita Springs, Florida. The 2022 Board is comprised of industry leaders from 38 flexible packaging companies.

Newly appointed Directors include Laura Clark, Sealed Air Corporation; Paul Kase, Liquibox; Amy Moore, Westlake Chemical Corporation, Thomas Morin, TC Transcontinental Packaging; and Brad Schwartz, Constantia Flexibles. "FPA is pleased to welcome the new members to the Board of Directors," said FPA Chairperson, Kathy Bolhous. "Their industry experience and proven business leadership will serve the association well."

About the Flexible Packaging Association (FPA)

The Flexible Packaging Association is the voice of the U.S. manufacturers of flexible packaging and their suppliers. The association's mission is connecting, advancing, and leading the flexible packaging industry. Flexible packaging represents over \$34 billion in annual sales in the U.S. and is the second-largest and one of the fastest-growing segments of the packaging industry. Flexible packaging is produced from paper, plastic, film, aluminum foil, or any combination of those materials, and includes bags, pouches, labels, liners, wraps, rollstock, and other flexible products.
